

Imagine a world where everyone is constantly learning, growing, and evolving. A world where people are motivated, engaged, and productive. A world where innovation is encouraged and celebrated. This is the world that a culture of development creates.

A culture of development encourages continuous learning, increases motivation, engagement and productivity, and fosters innovation. Even if you don't work in an environment that fosters development, you can create a development culture in your own life. It starts with making a commitment to continuous learning and growth. It means prioritizing your time and resources to invest in yourself; and it means being intentional about planning and adapting to change.

This meditation journal is a tool to help you on your journey of self-development. By spending quiet time getting to know yourself better at different times of the year, you can discover your unique talents and strengths. You can also start to identify the things that are holding you back from reaching your full potential.

Just like buried treasure, your authentic self is hidden beneath layers of conditioning and limiting beliefs; but it's there, waiting to be discovered. We catch glimpses of it when we do something we enjoy or come easily to us. When we live in alignment with our authentic self, we experience a greater sense of purpose, fulfillment, and joy.

Use the prompts and exercises to dig deeper and discover yourself, and in doing so, you will realize you weren't meant to fit in, but to stand out. No one can do what you do, the way you do it. You are unique. You are extraordinary.

Keep going. Keep growing. Live life on purpose!

*Nothing is wasted.
Instead, all of life's experiences,
both the good and the bad,
present opportunities to learn and grow.
You decide whether the experiences make you better, or
keep you stuck in the same place.
The choice is yours.*

KNOWING MYSELF BETTER

Answer the following questions. There are no rules. Just let your heart speak.

AM I TRULY HAPPY AND AT PEACE WITH MYSELF?
WHY? WHY NOT?

WHAT IS MY "HIGHER SELF" LIKE? DESCRIBE IN DETAIL.

I know that there is nothing better for people than to be happy and to do good while they live. That each of them may eat and drink, and find satisfaction in all their toil—this is the gift of God.

Ecclesiastes 3:12-13

How is this belief harmful?

What is a better alternative for this belief?

10 MINUTES TO FACE FEAR

One fear you are ready to put behind you:

One way in which your fear holds you back:

One way your life will be improved by overcoming it:

The final thing you would do if you could step out from behind your fear:

One very small step you can take forward that first thing:

Peace I leave with you; my peace I give to you. Not as the world gives do I give to you.
Let not your hearts be troubled, neither let them be afraid.

John 14:27

ABUNDANCE MINDSET

WHO I WANT TO BE?

WHAT I WANT TO HAVE?

And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

Be careful what you are hearing. The measure of thought and study you give will be the measure of virtue and knowledge that comes back to you –and more- will be given to you who hear.

MINDFULNESS

One person with whom you share your adventures:

One meal that reminds you of home:

One memory that makes you giggle:

One errand you're always up for:

One thing you believe now more than ever:

One kind of surprise that brightens your day:

One music that you love to listen:

Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.
